Directions

For best GPS results use: Intersection of Walnut Green Road, Pyles Ford Road and Campbell Road. (Some GPS systems will give false directions to "1000 Dean Lane" another address in Greenville. Fieldstone is located at "1000 Dean Road")

From the Philadelphia and King of Prussia Area: Connect with Blue Route (476) and travel South to I-95 towards Wilmington. Follow I-95 South to Delaware Route 52 (also known as Pennsylvania Avenue). Continue on Route 52 North through Greenville to Route 82 and make a left turn on to Campbell Road/Rte. 82. Go over Hoopes Reservoir. At the stop sign, go straight on to Walnut Green Road. (Do not follow Route 82 to the left). Drive straight on Walnut Green Road to stop sign, and Fieldstone's entrance is directly in front of you. The clubhouse is located at the top of the hill.

From the South:

Travel North on I-95 towards Wilmington. Follow I-95 North to Delaware Rt. 52 (also known as Pennsylvania Avenue). Continue on Route 52 North through Greenville to Route 82 (also known as Campbell Road) and turn left. Follow straight until first stop sign. At the stop sign, go straight onto Walnut Green Road. (Do not follow Rt. 82 to the left). Drive straight on Walnut Green Road to stop sign, Fieldstone's entrance is directly in front of you.

Since 1971, Ingleside Homes, Inc., a non-profit (#51-0113243) health and social services organization has been the leading provider of affordable housing, healthcare and supportive social services to low-moderate income seniors in Delaware.

100% of the proceeds of this event are used to improve the lives of seniors who cannot afford quality housing or healthcare without your contributions.

Please note: IRS regulations mandate that you may only deduct the amount that is in excess over the fair market value of the goods and services we are providing. We estimate the value of the goods and services received to be \$175 per golfer. Please consult your tax advisor regarding the amount that you may deduct on your returns.
