

DO YOUR PART TO SLOW THE SPREAD

Do work and school **from home**

If you work in a critical infrastructure industry, **keep your normal work schedule** and follow CDC guidance

Avoid social gatherings of 10+ people

Practice **good hygiene**

Use **drive-thru, pickup, or food delivery** options

Avoid nonessential travel, shopping trips, and social visits

Do not visit nursing homes or long-term care facilities unless to provide critical help

Follow the directions of your state and local authorities.
For more information, visit: **CORONAVIRUS.GOV**

Hello Residents, Family, Friends and Potential Residents of Ingleside Homes:

Due to the latest directive by Gov. Carney, and leaders of surrounding states, we are exercising caution in an effort to help flatten the curve and stop the spread of COVID-19 (Corona virus).

Our staff members and external healthcare partners are part of the Essential Workers that are keeping our Senior Residents safe and supported with services. They are coming into our communities as needed.

We have changed our policies, restricting visitors to our communities to those who provide care to our seniors. Everyone is adhering to hand washing and environmental cleaning guidelines.

Please call rather than come to our communities.

We can be reached at (302)575-0250 or via email.

We will do our best to help address your questions and concerns.

We will look forward to seeing you in person as soon as possible.

Be SAFE, stay INFORMED, remain HEALTHY.

Larry Cessna, President/CEO, Ingleside Homes, Inc.
